

GUARANTEE

This drum carder is guaranteed to be free of defects in material and workmanship for a period of (5) five years. Guarantee is limited to the repair or replacement of parts, which are determined to be defective.

Motors and electronics are guaranteed for (1) one-year from date of purchase.

For other repairs: If at any time, anything needs readjustment, repair, replacement, or modification, all LABOR is at no charge. Your responsibility, as owner, is the cost of round trip freight plus the cost of any non-guaranteed parts that may be needed and the cost of any special packaging required for return shipping.

NON - U.S. Customers -- Due to high international shipping costs, if you have any issue with your carder, please contact your dealer or me first.

This guarantee is void if:

1. The customer makes any modifications or has anyone else, other than the manufacturer, make modifications to this machine.
2. The customer makes any incorrect adjustments (such as allowing the drums to touch each other causing tearing of the pins on the large drum) or disassembles and reassembles the machine incorrectly causing damage.
3. The carder is found to have been damaged due to misuse.
